Baurat Mast Scholarship

The Baurat-Mast scholarships are awarded in memory of and from the estate of Mrs. Elise Gesine (known as Gertrud) Mast, née Siems (died on November 10, 1970, in Bremen), widow of retired city planning officer Carl-Alfred Mast. The testator's wish to use her estate to support deserving students in need who are studying civil engineering, architecture, and urban planning was made in memory of and in gratitude for her husband's successful completion of his studies at the former Technical University of Stuttgart. In accordance with the testator's last will and testament, the following conditions apply to the awarding of a scholarship

2. Students who, at the time of application, are entitled to funding under the Federal Training Assistance Act (BAföG) – without taking into account the funding available under these award guidelines – will be considered. Proof must be provided by submitting the relevant notification.

3. Financial aid is possible in addition to receiving BAföG.

4. Eligibility for funding is determined based on the following five selection criteria for assessing performance, ability, and commitment:

   1. for academic achievements (from 0 to 10 points); Condition: Eligible students must have achieved good to very good academic performance, i.e., a grade point average of 1.0 to a

maximum of 2.0. Points are awarded as follows: 1.0 to 1.1 receives 10 points, 1.2 receives 9 points, etc., up to 2.0, which receives 1 point.

2. for additional technical services (from 0 to 3 points)
3. for additional non-academic achievements (from 0 to 3 points)
4. for commitment, willingness to take responsibility (from 0 to 10 points)
5. for social, family, personal circumstances/impairment (from 0 to 10 points).

5. The funding period is two semesters. An extension is possible, subject to the estate being exhausted.

6. Scholarships are only awarded or extended upon application. Applications should be addressed to the appointed executor, attorney Dr. Alexander Rosenboom, with business address at Slevogtstraße 48, 28209 Bremen.

7. The application deadline is May 15 of the respective calendar year. Applications may only be submitted in German or English.

8. Funding will be awarded to suitable applications received based on the ranking resulting from the points distribution. Funding will be assessed and awarded based on the highest total points score descending to the lowest total points score.

9. A maximum of 20 applicants will be funded per calendar year.

10. If approved, the subsidy will be granted as a monthly allowance of €300.00 and does not have to be repaid; however, there is no legal entitlement to the subsidy.

    Students are required to immediately report any changes in circumstances relevant to the award of the scholarship (in particular interruption or termination of studies, changes in income and financial circumstances).

    The scholarship may be terminated if the conditions for its award are no longer met or if the scholarship holder has provided incorrect information about facts relevant to the award or has concealed facts.

    All payments will be suspended upon notification of termination. In the event of incorrect information, the benefits must be repaid in full from the date of their award. In all other cases of termination, the benefits must be repaid from the date on which the reason for termination arose.
